Greetings from IIHMR Society !!!

I take this opportunity to place before you the Placement Brochure of PGDHM 2018-20 Batch of Institute of Health Management Research (IIHMR), Bangalore. IIHMR, Bangalore was setup in 2004 to be part of rapid development in South India, with a vision to promote Research, Education and Training in the health sector. The Institute has been involved in various research projects, consultancy and training programs by experienced faculty and research staff. The AICTE approved flagship program-Post Graduate Diploma in Health and Hospital Management (PGDHM) has a well harmonized curriculum based on long years of industry experience both in the Public and Private sector as well as inputs from professionals. Most importantly, the experience and expertise garnered by the faculty from projects, directly translates into experiential sharing, teaching and field level participation for our students.

IIHMR, Bangalore has produced many illustrious people who have outshined in their chosen fields. The Institute has alumni base of over 1600 students who are manning managerial positions at various levels depending on their experience. Reaching great heights in various technical and managerial positions, the alumni of IIHMR have distinguished themselves. The alumni still retain strong bonds with the Institute and contribute generously to its betterment.

I take this opportunity to thank the Healthcare Industry fraternity who have supported us with their perspectives and for participating in placements over the years. I am sure that our students, if given a chance will be able to “bridge the gap” in many of the critical areas in Hospital, Health Management and Health Information Technology Management such as Quality Assurance, Marketing, Operations, IT and Healthcare, Analytics, Management Information Systems, Supply Chain and Project Management.

We continue to strive for excellence with our vision to become a world class Institute of learning and scholarship in management education, research and capacity development in health sector. We are moving ahead with expanding and strengthening institutional networks and building new partnerships with the National and International organizations to strengthen more efficient and effective healthcare delivery. As ever, I am an uninhibited optimist and believe we will make to the new orbit with our committed Faculty, Staff, Students and Alumni.

S.D. Gupta
MD, PhD (Johns Hopkins, USA (FAMS)
Director’s Message

I am happy to present the Placement Brochure of PGDHM (Post Graduate Diploma in Hospital and Health Management) 2018-20. With every passing year, IIHMR-Bangalore South Campus is improving its presence and position in the job market space for ‘Competent Healthcare Management Professionals’.

At IIHMR-Bangalore, we are committed to improve the standards of health through better management of healthcare delivery by building capacity and human resource in the health sector in India and beyond. Digital Health, Quality Systems, Affordability and Patient Centeredness have been the focus of healthcare delivery in recent times. It is imperative for Institutions to align the Management Education Programmes with the fast-changing paradigms of the health sector.

We have been successful in providing newer opportunities for our scholars to acquire sound technical knowledge with essential managerial skills to meet the changing paradigms. ‘Hospital Observer ship’, ‘Summer Training Programme’ along with special electives and industry-interface have paved the way for developing insights ‘close to reality’ as well as ‘a futuristic outlook’ for our young professionals. Our collaborative efforts with Hospitals, Health IT Companies, Development Partners, Public Health Institutions and Non-Governmental Organizations have created many opportunities for learning and innovative ideas. Personal attention through faculty mentoring and guidance has given a fillip to ‘Positive Attitudes’ to work in challenging environments.

It is my pleasant duty to thank the Healthcare Industry fraternity to have supported us in our academic endeavors and for participating in placements over the years. I, on behalf of IIHMR-Bangalore invite you to visit our campus and interact with the young, dynamic and trained healthcare professionals to work with your esteemed organization.

We are proud of their academic achievements and professional growth. We wish them the very best.

Usha Manjunath, PhD
Director
Alumni Endorsement

It is with nostalgia that I reminiscence my time at IIHMR, Bangalore after deciding that healthcare being choice of career, I wanted to seek the best college in India which allowed me to excel. The Professors and Faculties were always open to ideas and provided undivided attention and support throughout the programme. Choosing IIHMR, Bangalore is one of the best decisions I have ever made. I like the hands-on approach of courses at IIHMR because it took my learning beyond theory which has helped to shape my experience as Healthcare IT Professional and taken me to where I am today. IIHMR, Bangalore Campus is unique, fun & lively campus where lifelong memories are formed. I feel the cardinal yardstick for appraising the true merit of an educational institution is the value-addition it instils in its alumni’s about inculcation and enhancement of intrinsic and intangible higher values.

Mr. Ram Milan, Director at ICT Health, United Arab Emirates

IIHMR, Bangalore was a great training ground for the highs and troughs of the corporate world. My experience here taught me to appreciate diversity, be results focused and practical in approach, laying a good foundation for my career. I especially appreciated the Faculty who encouraged me to pursue Hospital Administration as a field even though it wasn’t so well known then, instilling confidence and teaching me to trust my instincts. I would always encourage those interested to consider furthering their education here, you cannot go wrong!

Dr. Nitin Jawahar, Senior Program Manager - Patient Engagement Platform at Columbia Asia Hospitals Pvt. Ltd., Bangalore
For me, life at IIHMR, Bangalore has been overwhelming and enriching. The environment and culture at IIHMR helped me in imbibing knowledge and developing my overall personality and boosting confidence. IIHMR has achieved excellence in imparting high-quality healthcare education with prime focus on holistic learning and inculcating competitive abilities in students. Curriculum at IIHMR involves site visits to various healthcare organisation which helps in gaining in-depth knowledge about quality standards and lean operation in healthcare industry. My sincere thanks to all the Faculty members and everyone in IIHMR family for their support and selflessness. They have played a crucial role in shaping me & proved me right, in selecting IIHMR over other colleges.

Ms. Tanuja Gallani, Healthcare Domain / Solution Designer / Business Analyst, Cerner

The Institute is rated among the best business school in Healthcare Sector. IIHMR, Bangalore creates pool of healthcare leaders every year to manage the whole spectrum of healthcare from Hospital to Public Health Sector. The Institute has a well harmonized curricula based on Industry experience with inputs from Professionals and through field visits to healthcare industries. The Institute has been involved in various research, consultancy and training projects which are handled by experienced faculty and research staffs. IIHMR, Bangalore had laid a strong foundation for my Research and Career in Public Health field. My hearty thankful to this Institute and the Faculty.

Mr. Chethan Renukaiah, Dist. Consultant, National Programme for Prevention and Control of Fluorosis – NHM Tumakuru District, Karnataka
IIHMR Society

The Indian Institute of Health Management Research (Society) was established in 1984 in Jaipur with Public Health and Management at the core. The IIHMR society established campuses at Jaipur, Delhi and Bangalore to improve the standards of health of the people through improved Management Research, Education and Capacity Building in Health Sector. IIHMR, Jaipur is a WHO Collaborating Centre and has been designated as an Institute of Excellence by Ministry of Health and Family Welfare, Government of India.

About IIHMR, South Campus- Bangalore

Established in 2004, Institute of Health Management Research (IIHMR), Bangalore is the South Campus of IIHMR, Society. In the year 2010, the Institute acquired AICTE approval for its Post Graduate Diploma in Hospital and Health Management (PGDHM), a flagship Programme in which Knowledge, Research and Training create a distinctive edge for developing Managers for the Hospital and Healthcare Industry. IIHMR, Bangalore leverages on the collective strength of nearly 70 faculty across campuses of the Institutes at Jaipur, Bangalore and Delhi.

IIHMR, Bangalore also provides short term training programmes like effective Hospital Management, Healthcare Leadership and many customized trainings for a Hospital and Healthcare Organizations to improve the skill set of working professionals. IIHMR, Bangalore has a proven track record of doing high research work in the areas of Hospital and Healthcare Management.

In the year 2015, IIHMR, Bangalore became the first educational Institute in India to be accredited by NABET as Hospital and Healthcare Consultant Organization for NABH Standards. We assist Hospitals and other Healthcare Organizations for NABH accreditation. In the year 2018, IIHMR received National Board of Accreditation (NBA) & Association of Indian Universities (AIU) for its PGDHM Programme.

Mission

Institute of Health Management Research, Bangalore is an Institution dedicated to the improvement in standards of health through better Management of Healthcare and related Programs. It seeks to accomplish this through Management Research, Training, Consultation and Institutional Networking in National and Global perspectives.

Summer Training

Summer Training is an integral part of the Programme. The students are placed for eight weeks in various Hospitals, Public Health & other Healthcare Organizations including NGOs throughout the country and abroad for the learning. They are assessed on the basis of their performance during this period.

Dissertation and Internship

Dissertation and Internship is an integral part of our Postgraduate Programme in Hospital and Health Management (PGDHM). As a part of the curriculum, each final year student is required to undergo Internship and Dissertation with a reputed organization for a period of four months. During internship, the student will assist the Administrator/Manager in day to day operations. Through this process he/she is expected to gain practical knowledge and skill to handle managerial issues related to major departments of the organization.

Placement Committee

The Placement Committee is responsible for all placement activities. Pre-Placement Support activities include Industry Expert Interactions, Career Mapping, Counselling, Soft-skills Training, Mock Group Discussion, Mock Personnel Interviews, Logical Reasoning and Case Study analysis. Others such as organizing Interview on Campus/On-Site, Tele-Interviews, etc. are planned well in advance.

Placement Committee Members are:

Dr. R. Sarala  Faculty In-charge
Dr. Allen P Ugargol  Member
Dr. Deepashree  Member
Mr. Satish Singh  Member

Student Representatives

Dr. Gagan M. S.
Dr. Telakapalli Savitha
