

Digital Health Innovation Conclave

INHSA – Innovate Health South Asia

Bridging Bright Startups & Bold Investors

About IIHMR Bangalore:

Institute of Health Management Research, Bangalore (IIHMR, Bangalore) is a premier Institute for Hospital and Health management education in South India. IIHMR was previously known as the Indian Institute of Health Management Research. IIHMR Bangalore has a legacy extending over a decade imparting Health and Hospital management education, Training, and Research activities in South India. The campus is situated in Silicon Valley at Electronic City Phase -1 and is surrounded by organisations like Wipro, HP, Infosys, and many other leading IT and allied companies.

IIHMR Bangalore was founded in 2004 as the south campus of IIHMR Group of Institutions, offering flagship programmes in Hospital and Health Management. In the year 2010, IIHMR, Bangalore got approval from AICTE (All India Council for Technical Education), Ministry of HRD, Govt. of India to offer a two-year full-time PGDM (Post Graduate Diploma in Hospital and Health Management) programme with specialisations in Hospital Management, Health Management, and Health Information Technology (HIT) Management. The PGDM course has been designed and updated regularly by faculties and Healthcare Industry experts to match the industry needs.

ADMIRE – Centre for Advancing Digital Healthcare (ADMIRE) of IIHMR Bangalore envisions a future where digital healthcare is seamlessly integrated into the fabric of the healthcare system, improving patient outcomes, enhancing efficiency, and contributing to the overall well-being of communities. By fostering interdisciplinary collaboration, conducting impactful research, and nurturing innovation, ADMIRE aims to be a catalyst for positive change in the digital health landscape.

About INHSA 2024:

IIHMR Bangalore proudly presents the International Conference “INHSA - INNOVATE HEALTH SOUTH ASIA 2024”, a groundbreaking conference focusing on the dynamic landscape of Digital Health Startups. This event promises to be an insightful journey into the future of healthcare innovation, providing a platform for networking, knowledge-sharing, and recognition of outstanding achievements.

A pioneering event that converges leaders, innovators, and enthusiasts to explore the dynamic landscape of healthcare in the digital era. Be part of a transformative experience where ideas meet innovation, and the future of healthcare is shaped.
