Annual Report of Controller of Examinations

(PGDHM Batch 2017-2019)

The Office of the Controller of Examinations at the Institute of Health Management Research, Bangalore, is responsible for overseeing all examination-related activities. This includes the meticulous preparation of the timetable for term-end examinations, organizing and conducting the exams, and assigning invigilation duties to ensure a smooth examination process. Additionally, the office is tasked with setting deadlines for the valuation of answer scripts and coordinating the timely release of results after thorough discussions within the Examination Committee. The institute ensures that results are published within 21 days of the last day of examination. Following the publication, students are given the opportunity to apply for revaluation, which must be done within 10 days of the result declaration, thereby maintaining transparency and fairness in the assessment process.
