## Message from the President

It is with immense pride that I introduce the vibrant and highly skilled graduates of the PGDM 2023-25 batch from IIHMR Bangalore. These future healthcare leaders are now prepared to take on key roles in hospitals and healthcare organizations, bringing fresh perspectives and innovative approaches to the field. Having completed a rigorous and comprehensive management education in Hospital and Health Management, our graduates are now ready for placements, equipped with the skills and knowledge required to excel in their chosen careers.

Since its founding in 2004, IIHMR Bangalore has been committed to advancing Hospital and Health Management education across India. Over the years, we have become one of the premier institutions in the region, not only in India but also in South-East Asia. Our flagship program, the Post Graduate Diploma in Management – PGDM (Hospital and Health Management), has been continuously refined based on feedback from industry leaders and stakeholders in both the public and private sectors. This dynamic evolution ensures that our curriculum stays relevant and prepares our students to meet the current demands of the healthcare industry through specializations.

Our esteemed faculty, with their rich experience in research and consultancy, play a critical role in shaping our students' learning experience. Through active engagement in real-world healthcare challenges, our students gain hands-on exposure during their six-month industry internships. These internships, combined with their dissertation projects, hone their problem-solving abilities and industry-relevant skills, allowing them to emerge as adaptable and forward-thinking professionals.

IIHMR Bangalore is proud to have an alumni network of over 1,000 professionals nationally and globally. Our alumni hold prestigious positions across the healthcare sector and have made substantial contributions as leaders, entrepreneurs, and specialists in various fields. Their success and impact are a testament to the robust academic foundation they received at IIHMR, which has empowered them to remain ahead of the curve in a rapidly evolving healthcare landscape.

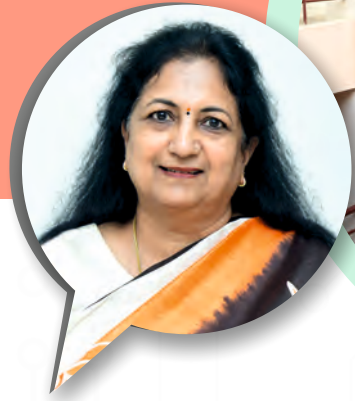

In the wake of the global pandemic, the healthcare sector has proven its resilience, and the need for qualified healthcare professionals has never been greater. As we look to the future, we are confident that our graduates will play a pivotal role in shaping healthcare systems, improving access, quality, patient safety and driving innovation in health outcomes.

I extend my heartfelt congratulations to the graduating batch and wish them continued success as they embark on their professional journeys. I am confident they will make a lasting impact on the healthcare industry and contribute to its future growth and excellence.

**Dr. S.D. Gupta - MD, PhD (Johns Hopkins, USA (FAMS))**  
**President, Management Board, IIHMR**

## Director's Message

Institute of Health Management Research, Bangalore is a premier Institute focusing on healthcare management education, research, consultancy, and training in hospital and health management. Our commitment is to enhance the quality of healthcare services by fostering skilled professionals who can drive meaningful improvements in healthcare delivery, both in India and globally.

I am delighted to present the Placement Brochure for the PGDM (Post Graduate Diploma in Management – Hospital and Health Management) 2023-25. Our flagship program is approved by the AICTE, accredited by the NBA, and holds MBA equivalence as conferred by the AIU. This program is specifically designed to equip future leaders in healthcare with the competencies needed to succeed in a dynamic and evolving industry.

Over the years, we have seen a growing demand for our graduates as 'Competent Healthcare Management Professionals'. Our alumni have consistently demonstrated excellence in their roles, contributing to the goodwill and reputation of the Institute. Their remarkable achievements have enhanced our standing in the healthcare job market.

Our academic framework emphasizes practical learning through initiatives like the 'Summer Training Program', 'Industry Observership', and 'Dissertation & Internship'. In addition, we offer specialized electives and maintain close industry connections, allowing students to gain hands-on experience and develop a real-world understanding of the healthcare sector. This approach ensures that our students are not only well-prepared for current challenges but also possess a forward-looking perspective on industry trends.

Our graduates have been successfully placed in esteemed organizations, including hospitals, IT firms, health insurance companies, healthcare consultancies, and government agencies such as the National Health Mission (NHM). We deeply appreciate the support of our industry partners for their ongoing collaboration in placements and academic initiatives.

As we continue to grow, our vision remains clear: to emerge as a leading institution in healthcare management, shaping professionals who make a lasting impact in the health sector. I invite you to be part of this exciting journey with IIHMR Bangalore.

We are immensely proud of the accomplishments of this batch and are confident that they will continue to excel in their professional endeavours. We wish them the very best for their future careers.

**Dr. Usha Manjunath, PhD**  
**Director – IIHMR, Bangalore.**

Greetings! It's my proud privilege to present to you the Institute of Health Management (IIHMR), Bangalore's Placement Brochure 2024.

IIHMR is recognized as a pioneering Institute in the area of Health, Management and Research for more than two decades in preparing the best minds to serve India's burgeoning health sector and occupy responsible and critical management and leadership positions and roles in reputed Hospitals, Health Information Technology and Digital Health domains, Public Health organizations and in the Pharmaceutical and Biosciences sector.

IIHMR Bangalore's Flagship program - the Two year Full-time Post-Graduate Diploma in Management (PGDM) in Hospital & Health Management is All India Council for Technical Education (AICTE)-approved, accredited by the National Board of Accreditation (NBA), and has been accorded MBA Equivalence status by the Association of Indian Universities (AIU). At IIHMR, we strive to pioneer new courses and regularly revise our teaching curriculum to keep abreast of market-requirements and emerging global trends in educational pedagogy. The First year Students of PGDM in Hospital & Health Management are available for Internships during April 2025 and the Second year Students of PGDM in Hospital & Health Management are currently available for Pre-Placement Offer (PPO's) and Final Placement. I look forward to welcoming you at IIHMR Bangalore for the Placement season which has already begun!

This year, IIHMR Bangalore has appropriately launched a new program - the Two year Full-time Post-Graduate Diploma in Management (PGDM) in Artificial Intelligence & Data Science, approved by AICTE to serve the emerging skillset needs of the data science domain and the Students will be available for Internships around April 2025.

We at IIHMR Bangalore take pride in being accredited by National Accreditation Board for Education & Training (NABET) for the Management Development Programs and Trainings/Workshops tailor-made for Industry and Academia alike.

While India's Hospital sector makes rapid strides in India and is transforming itself as the destination for cost-effective provisioning of high technology oriented medical facilities thereby addressing the medial demands of the country as well as catering to the global medical value travel industry. This sector is poised to grow exponentially and the demand for trained and skilled healthcare management professionals is high with the advent of increasing digital solutions that utilize artificial intelligence, electronic healthcare applications, decision support systems, remote monitoring of patients, patient monitoring solutions and the likes.

India's Public Health scenario is a complex one with the onset of the triple burden of disease– a concomitant increase in infectious disease, a steep rise in non-communicable disease prevalence and the threat of emerging and re-emerging disease conditions.

The sector is witnessing a movement towards attaining Universal Health Coverage (UHC) and investments to expand and strengthen primary health care and referral systems. A strong focus on preventive and promotive healthcare is also witnessed with opportunities abounding in public, private, NGO and CSR initiatives.

India's Pharmaceutical and Biosciences sector and this is witnessing giant strides in drug manufacturing, vaccine development and marketing and to manage and mitigate the risks of outbreaks, emerging and re-emerging disease threats and other health emergencies. Technology and data science has propelled the pharmaceutical sector, and a plethora of opportunities are witnessed for healthcare management professionals here.

Therefore, in this market-driven opportunity for healthcare management professionals, IIHMR Bangalore Campus steps in by creating well-rounded students that are shaped to enter the healthcare market, adapt quickly and serve in these sectors with elan. IIHMR graduates go through a very balanced but rigorous program covering core and optional courses over two years that are offered by distinguished faculty with substantive teaching, research and consulting experience. Our students are strong in managerial skills and build their perspectives during their internship with reputed healthcare organizations and while engaging with industry leaders at forums and seminars on campus.

IIHMR Bangalore's students have the aptitude and attitude to integrate well within the organization they are employed in and realize the pulse of the industry; as they are imparted with holistic education and hands-on training at IIHMR, in the true sense of the term. I strongly believe that IIHMR graduates will prove to be an asset to your organization as Interns and as Employees and I look forward to welcoming you at IIHMR Bangalore this Placement season which has already begun!

**Prof. Jason D. Ugargol, MBA, Dip T&D, MPhil, Ph.D**  
**Dean-Academics & Student Affairs**  
**Chairperson-Placements, IIHMR Bangalore**

## IIHMR Society

The Indian Institute of Health Management Research (Society) was established in 1984 in Jaipur with Public Health and Management at the core. The IIHMR society established campuses at Jaipur, Delhi, and Bangalore to improve the standards of health of the people through improved Management Research, Education and Capacity Building in Health Sector. IIHMR, Jaipur is a WHO Collaborating Centre and has been designated as an Institute of Excellence by Ministry of Health and Family Welfare, Government of India.

### About IIHMR, South Campus- Bangalore

Established in 2004, Institute of Health Management Research (IIHMR), Bangalore is the South Campus of IIHMR, Society. In the year 2010, the Institute acquired AICTE approval for its Post Graduate Diploma in Management (Hospital and Health Management), a flagship Programme in which Knowledge, Research and Training create a distinctive edge for developing Managers for the Hospital and Healthcare Industry. IIHMR, Bangalore leverages on the collective strength of nearly 70 faculty across campuses of the Institutes at Jaipur, Bangalore, and Delhi.

IIHMR, Bangalore provides short-term training programmes like Hospital Management, Healthcare Leadership and many customized trainings for Hospitals and Healthcare Organizations to improve the skill set of working professionals. IIHMR, Bangalore has a proven track record of doing high research work in the areas of Hospital and Healthcare Management.

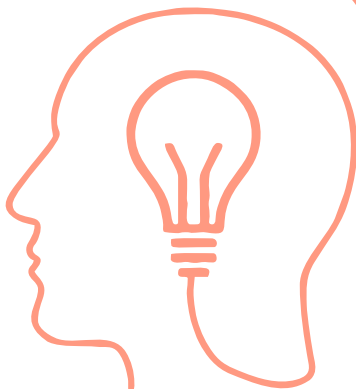

In the year 2015, IIHMR, Bangalore became the first educational Institute in India to be accredited by NABET as Hospital and Healthcare Consultant Organization for NABH Standards. We assist Hospitals and other Healthcare Organizations for NABH accreditation. In the year 2018, IIHMR received The National Board of Accreditation (NBA) & Association of Indian Universities (AIU) accreditation for its PGDM (Hospital & Health Management) Programme.

### Vision

To create a leading health management education and multidisciplinary research institution that will best serve the betterment of society.

### Mission

Institute of Health Management Research, Bangalore is an institution dedicated to improvement in standards of health through better management of health care and related programs. It seeks to accomplish this through management research, training, consultation, and institutional networking from a national and global perspective.

## Summer Training Program

Summer Training programs are an integral part of the PGDM course work. The students are placed for 90 days respectively. They are placed in various Hospitals, Public Health, Health IT, NGOs & other Healthcare Organizations throughout the country and abroad to gain exposure on trending projects and in various departments of the organization. They are assessed based on their performance during this period.

## Dissertation and Internship

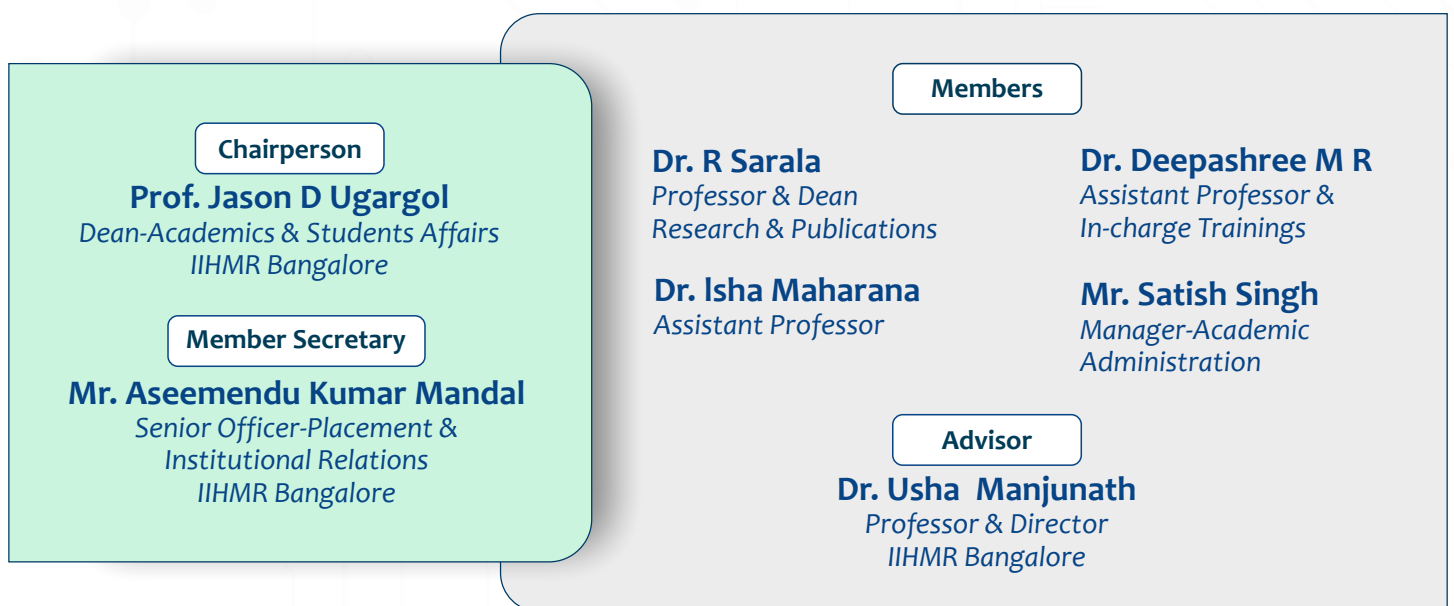

Dissertation and Internship is an integral part of our Postgraduate Programme in Management (Hospital and Health Management). As part of the curriculum, each final year student is required to undergo Internship and Dissertation with a reputed organization for a period of three to four months. During internship, the student will assist the Administrator/Manager in day to day operations & research work. Through this process he/she is expected to gain practical knowledge and skills to handle managerial issues related to major departments of the organization.

## The Training & Placement Cell

The Institute has Training & Placement Cell comprising of representatives from the Management & Students.

- The cell organises regular trainings before, during and post placements.
- Pre-placement activities such as: Industry Expert Interactions, Career Mapping, Counselling, Soft-skills Training, Mock Group Discussion, Mock Personnel Interviews, Logical Reasoning and Case Study analysis are organised to prepare the students for final placements.

## Placement Committee

## Alumni Endorsement

### **Dr Aanchal Kaurav**

*Product Owner - Product Management, Advarra*

“My time at IIHMR Bangalore was a transformative phase in my professional development. The healthcare management program provided a robust blend of theoretical knowledge and practical application, essential for navigating the healthcare sector. The curriculum's focus on strategic thinking and innovation played a critical role in my transition to the Health IT domain, equipping me to deliver impactful solutions to clients. I urge the Batch of 2023-25 to leverage the wealth of opportunities, embrace challenges, and harness their education to shape a rewarding career in healthcare, where the potential for meaningful impact is vast.”

### **Dr Isha Maharana**

*Consulting & Growth Manager, BioQuest Solutions Pvt Ltd*

"As an alumna of IIHMR Bangalore, I can confidently say that the institute has provided me with an exceptional platform to grow both personally and professionally. The curriculum is well-designed, combining theoretical knowledge with practical insights into healthcare management. The experienced faculty and industry exposure have equipped me with the skills and confidence to excel in my career. I'm grateful for the strong network and opportunities that IIHMR has offered.”

### **Dr Arabinda Bhol**

*Head of Operations, HCG Cancer Hospital*

"At IIHMR, I found not just education, but a transformative journey. It groomed me into a leader, aligning my passion with purpose, and nurturing the core competencies that define success in healthcare management. The faculty, with their unparalleled expertise, illuminated the path by constantly integrating industry trends and cutting-edge strategies. The immersive learning environment cultivated critical thinking, adaptability, and a relentless pursuit of excellence. IIHMR is a hub of opportunities, awaiting those with the dedication to harness them. Here, I didn't just learn—I evolved into the professional I was destined to become, equipped with the industry's hottest skills. IIHMR, Bangalore is not just an institute to learn management but to experience a unique way of life”

### **Dr Lavya N**

*Senior Product Owner-UHG (UnitedHealth Group)*

“When I enrolled at IIHMR Bangalore, I had little idea of the transformative impact it would have on my life. This institution has provided me with an exceptional platform for growth, not only academically but also holistically, through project-based learning and extracurricular activities that have sharpened my competitive edge for the professional world. The journey from being a student to working with leading organizations such as the Big 4, Fortune 5, and other multinational companies has been shaped by the solid foundation provided at IIHMR and a commitment to continuous learning. Despite my dental background, IIHMR played a crucial role in broadening my understanding of healthcare as an industry.”
