## 18. Admission Eligibility Criteria:

The PGDM in Hospital and Health Management is a two-year, full-time postgraduate diploma program in management approved by AICTE. The program offers specializations in Hospital Management, Health Management, HIT Management, and Pharmaceutical Management. These specializations are thoughtfully designed to equip professionals such as Doctors, Engineers, Pharmacy graduates, Physiotherapists, Nurses, AYUSH practitioner, general Graduates and working professionals for enabling successful careers in the health management sector.

The program has an AICTE-approved intake of 120 students. Admissions related announcements are prominently displayed on the Institute's official website (<https://iihmrbangalore.edu.in>) and subsequently shared through various media, viz newspapers, social media platforms, and other platforms. The admissions process follows the academic calendar as prescribed by AICTE

- Graduates from any educational background can apply for PGDM in Hospital and Health Management program.
- Candidates should have a minimum of 50% marks in their graduation (45% marks for SC/ST/PWD candidates and Defence personnel).
- Students in their final year of study are eligible to apply for provisional admission, with the requirement to submit the necessary documents prior to the start of classes.
- Candidates must have a valid Management Aptitude Test score (CAT, MAT, CMA T, XA T, ATMA, GMA T, KMA T), as per AICTE guidelines.

### Important Notes

- Admission announcements are prominently displayed on the institute's official website (<https://iihmrbangalore.edu.in/>) and subsequently shared through various media, viz newspapers, social media platforms, and other platforms.
- The admission process follows the academic calendar as prescribed by AICTE.
- The decision of the Admission Committee will be final and binding.
